## The President of the United

Roberts, USS Raymond, USS Dennis and USS John C. Butler, for service as set forth in the following Citation:

## "For extraordinary heroism in

action against powerful units of the Japanese Fleet during the Battle of Samar, Philippines, October 25, 1944. Silhouetted against the dawn as the Central Japanese Force stemmed through San Bernardino Strait toward Leyte Gulf, Task Unit 77.4.3 was suddenly attacked from the rear. Quickly launched a heavy smoke screen, the gallant ships of Task Unit waged battle fiercely against superior speed and fire for each foot of altitude, swiftly launching and re-launching aircraft as they engaged the enemy's armor-piercing shells, anti-aircraft projectiles and anti-submarine bombs. With one end of the group sunk, others badly damaged and squadron aircraft courageously coordinating the attacks by making dry runs over the enemy fleet as the Japanese relentlessly closed in for the kill, two of the Unit's valiant destroyers and one destroyer escort charged the battleships point blank and, expending their last torpedoes in desperate defense of the entire group, went down under the enemy's heavy shells as a climax to two and one-half hours of sustained and furious combat. The courageous determination and superb teamwork of the officers and men who fought the embarked planes and who manned the ships of Task Unit 77.4.3 were instrumental in effecting the retirement of a hostile force threatening our Leyte invasion operations and the highest traditions of the United States Naval Service."
